Daniel Durrant

351 E Center Street, Apt #104 · Provo, Utah 84606 · (208) 243-2927 · Durrant.Daniel1@gmail.com

Education

Brigham Young University   Aug 2012 – Dec 2017

- Major: Bachelor of Business Management—Strategy Emphasis; GPA: 3.91/4.00; ACT: 31/36   Provo, UT
- First place in the following case competitions: PwC, Qualtrics, Social Innovation; top three for Google Fiber
- Named one of the top 30 student innovators at BYU; finalist for student innovator of the year: Mar, 2017
- Member of BYU's Management Consulting Club, Business Strategy Club, and Entrepreneurship Club

Honors and Awards

- Full-Tuition BYU academic scholarship (~top 5% of students by major), Intel Employee Scholarship (Top 1% of applicants), Century Student Athlete Scholarship (2 students/ year chosen in a school of 2,000)

Experience

McKinsey and Company *(global management consulting firm)*   May 2017 – Aug 2017

Incoming Summer Business Analyst   Dallas, TX

- Selected as one of two BYU students (among over 200 applicants) to intern with the world's top management consulting firm; at the conclusion of the internship, I plan to begin my career as a consultant with McKinsey

Protiviti, Inc. *(global professional services firm, formerly Arthur Andersen)*   Jun 2016 – Aug 2016

Summer Consultant: *Clients spanned the retail, financial services, and healthcare industries*   Los Angeles, CA

- Cut $150,000+/ year in labor and auditing fees at a midsized bank by identifying a manual reporting inefficiency while evaluating the loan approval process; led out in process redesign
- Saved a cancer research hospital $75,000/ year in labor through development of a process map for two biochemical safety committees; these revealed several redundancies and led to merging the two committees
- Drafted report to executive team warning against possible Sarbanes-Oxley financial reporting infractions
- Organized and took the lead in a recruiting activity at the Summer Leadership Conference for 2017 interns

Revealed Engineering Partnership *(creative engineering start-up)*   Sep 2016 – Current

Founding Partner: *Chief Operating Officer; responsible for all business operations*   Provo, UT

- Currently working with United States Postal Service to improve warehouse courier bins, product will increase daily parcel processing by 25% and reduce risk of injury to employees by 70%
- $0 invested out-of-pocket by any of the founding members; organized the business and developed a working prototype solely through the use of grant money won from University entrepreneurship competitions

Research Assistant *(research and analysis centered on innovation)*   Feb 2016 – Jun 2016

Dr. Jeff Dyer: *professor—executive MBA's at the Wharton School; Undergraduate strategy at BYU*   Provo, UT

- Calculated "Innovation Premium" for >300 firms to assist in publishing Forbes "Most Innovative Companies"
- Assisted in creating financial models measuring impact of Tesla's Model 3 release, Forbes article Aug. '16
- Identified common traits among CEO's of "most innovative companies" list using analytic tools

Service/Leadership

England Manchester Mission, The Church of Jesus Christ of Latter-Day Saints   May 2013 – May 2015

Assistant to the President   Northwest England & Wales

- Engaged in leadership training, logistics, reporting, and oversight of 200+ full-time volunteers

Adaptive Aquatics/ Gym Kids   Sep 2012 – Apr 2016

Volunteer: *Assisted autistic children in playing gym games and learning swimming fundamentals*   Provo, UT

- Over the course of my service, I worked directly with over 20 autistic grade school children

Personal

- Passion for team sports—3-sport athlete in high school (basketball, football, baseball); varsity football captain
- Enjoy climbing; summited 2nd highest mountain in the Pacific Northwest, and the highest in England & Wales
- Eagle Scout, Boy Scouts of America; Scholarship for top <1% academic achievers among Eagle Scouts in US
- Collector of Air Jordan's and other Nike basketball shoes (~20 pairs)
